

Dear CHS Class of 2020 Seniors,

As much as we wish we could have you all back on campus to finish your high school career together, we sadly have to make other plans. We are still hoping to be able to celebrate the senior class more this summer, but that all depends on what we are allowed to do at that point. This is what we have confirmed for this month:

Caps and Gowns

If you are going to participate in our July graduation ceremony, you must have purchased a cap and gown online by May 14th. The last day to purchase caps and gowns will be May 14th. If you have not purchased a cap and gown, it must be purchased online at <https://www.jostens.com/grad/graduation-packages.html>. Gowns will not be for sale at the Senior Curbside Service, so please make sure you have purchased ahead of time. If you purchase online by May 14th, you will be able to pick up your gown during your assigned senior curbside service days.

We wish each of you good health and happiness. Please know that we are thinking of you often as we wrap up your senior year and are proud of you, even if we can't be together yet.
